RE: Fortis Corp. Insur v. Total Qual. Logistics & Hills Trucking,
Index No.: 07-Civ-3731 (VM)
February 15, 2008 scheduled case management conference
Request to attend by teleconference

Dear Judge Marrero:

This request is being transmitted by facsimile pursuant to a February 8, 2008 telephone conversation with your chambers.

This firm acts as local counsel for Defendant Total Quality Logistics ("TQL") in the above referenced matter. Keating, Muething & Klekamp, PLL ("Lead Counsel"), by Charles M. Miller, acts as lead counsel for TQL.

Lead Counsel and TQL are based in Ohio and cannot personally attend the above referenced (Rule 16) conference without great difficulty. Therefore TQL requests an accommodation that its Lead Counsel be permitted to participate in the said conference by telephone. Local counsel will attend the conference in person and provide any available assistance in order to facilitate the execution of this request.

Although there still is a pending motion to stay the said conference this request is being made now in order to avoid last-minute surprises. This firm awaits the Court's directions in all matters raised by this letter. Thank you for your consideration of this request.

Respectfully submitted,

/s/
